

RERC COMMUNITY COLLABORATIVE CONVENING

You're Invited to the Quincy/East Quincy Recreation Economy for Rural Communities (RERC) Community Collaborative Convening (C3) on May 13th hosted by Plumas County and Rural Community Assistance Corporation (RCAC)!

The C3 is an opportunity for business owners and residents to come together and reflect on the history of the RERC planning process, learn from the 5 Goal Champions about how the RERC Community Action Plan has propelled forward, ask questions, and get involved in supporting the local economy and advancing outdoor recreation and stewardship in the American Valley region and beyond. Your voice matters!

RERC C3 Event Highlights:

- Learn about RERC:** Receive a brief overview of the RERC planning process completed in November 2022
- See the Progress:** Hear from Goal Champions about successes, challenges, opportunities, and future plans for implementation of RERC goals and actions
- Get Involved:** Connect with other businesses and residents and volunteer to contribute to the future of Plumas County's recreation economy

Refreshments provided!
